

Dear Rico,

Thanks for making our  
"Beach House" become a  
reality! We know that  
it required a lot of  
creativity and patience on  
your part, but the result  
is beautiful! The quality  
of workmanship by all  
your subcontractors is  
excellent and does not go  
unnoticed by everyone  
who has seen our home.  
A special "Thanks" to  
Marty for all his work

and attention to  
detail!

Please feel free to  
stop and see us  
anytime!! Thanks again  
to you and everyone  
at BROM.
